Columbia Valley Cabernet Sauvignon
Walla Walla Cabernet Sauvignon

North by Northwest represents wines made from inland grape growing appellations of the Columbia River Basin of Oregon and Washington. The NxNW winemakers have developed strong, creative relationships with growers and fellow winemakers in the Columbia River Appellation and throughout the northwest viticultural region - leading to this richly textured wine. NxNW is a unique lens for capturing the essence of terroir, the character of the people, and the quality of the wines from this great emerging winegrowing region.
